Itihaas is capable of catering for up to 1,000 guests, be it a corporate banquet or conference, a wedding, an engagement party, a birthday or any special occasion. All of our food is HSQC certified and we use only the highest standards of fresh, local and sustainable produce. We offer an option of Halal and non - Halal meat (certification available upon request).

Events

Itihaas has drawn on its strengths to expand its portfolio of offerings. A step further from its catering venture, it now offers the ultimate exotic yet sophisticated Indian experience to any special event.

We understand that most professional couples are extremely busy and prefer a one-stop wedding/ event shop to be able to deal with all their needs. At Itihaas, being in the business of dream weddings means we are able to leverage our contact book to help organise all of this for you at a reasonable added price.

Itihaas offers a wide variety of decor to suit every budget - from mandaps to walima & nikkah stages, to designer evening wedding reception decor.
